TERMS AND CONDITIONS

All seeds offered are of 1929 crop except where noted. Our prices are not cheap but well worth the difference for the better quality of fresh seed of improved and hardier strains which we offer.

Items listed are those of which an abundant supply is available. If seeds for fall planting are wanted in 1930, patrons will kindly get in touch with us early. Quotations for all tree and shrub seeds extended gladly. Please send us your want list.

Remittance : Cash, thirty days net, ten days, 2% for customers of approved credit.

All orders are subject to exhaustion of seed supply and prices subject to market conditions. Claims must be made within five days after receiving goods, claims for damage or delay in transit be entered with transportation company.

We endeavor to supply all seeds true to name and of good germination, but do not guarantee their productiveness to any extent.

We are anxious to establish connections with seed collectors.
